- This is a change from the calendar posted on the website (the web calendar will be updated soon).

INSTEAD:

- Visit the USCCB website and challenge yourself to read each day's daily scripture readings between now and your next class (December 3).
  - What does USCCB stand for?
    - The United States Conference of Catholic Bishops - this is a group of all of the bishops in the United States.
- Start a small journal (nothing fancy) and jot down questions or thoughts you have about what you've read.
- ASK Lisa Collin or your CATECHIST questions anytime! You can reach Lisa at lcollin@saintpaultheapostle.church and you can reach your catechist by finding their email under the Google Meet button on our website.

WHAT ARE WE DOING IN CLASS?

- The catechists have a video they're going to show. Have your family join if they can!
