BECOME SPA'S REOPENING VOLUNTEER

We will need volunteers to assist with various aspects of our parish reopening plan. Importantly, leadership team members and volunteers must not be part of a "vulnerable population", however, the Arch answered this question:

Q: **Can someone 65 or older or with medical condition(s) volunteer?**

A: It is recommended that parishes focus on finding and recruiting volunteers that are not older than 65 and without underlying medical conditions; however, if individuals in those groups choose to volunteer understand the inherent risks, they may do so.

I ask all of you who are younger than 65 and healthy with no underlying health conditions to consider assisting with one of three reopening teams:

- **Set-up team.** Sample duties include ensuring that all supplies needed for each sacramental celebration/gathering are ready for use, entrances and exits are marked and propped physically open prior to attendees' arrival/departure, windows are opened, etc.

- **Greeting team.** Sample duties include assisting in managing the flow of congregants as they enter the church, making sure attendees use hand sanitizer upon entering, are wearing a mask, and are reminded not to enter if ill; directing people to appropriate seating/waiting areas, etc.

- **Cleaning team.** Sample duties include maintaining and cleaning essential and trafficked areas of the church before and after the church has been used. Masks and gloves will be provided, if you do not have your own, in addition to approved cleaning/disinfecting supplies.

The Reopening Leadership Team and I will make sure that all volunteers are properly trained. Please send a message to info@saintpaultheapostle.church to indicate your willingness and ability to volunteer.

Fr. Chris Ciastoń
